## **Independent Auditor's Review Report on Unaudited Quarterly Financial Results and Year to Date Results of the Company pursuant to the Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended)**

### **To the Board of Directors of Best View Infracon Limited**

1. We have reviewed the accompanying statement of unaudited financial results ('the Statement') of Best View Infracon Limited ('the Company') for the quarter ended 31 December 2021 and the year to date results for the period 01 April 2021 to 31 December 2021, being submitted by the Company pursuant to the requirements of Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended), including relevant circulars issued by the SEBI from time to time.
2. The Statement, which is the responsibility of the Company's management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, Interim Financial Reporting ('Ind AS 34'), prescribed under section 133 of the Companies Act, 2013 ('the Act'), and other accounting principles generally accepted in India and is in compliance with the presentation and disclosure requirements of Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended), including relevant circulars issued by the SEBI from time to time. 3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, Review of Interim Financial Information Performed by the Independent Auditor of the Entity, issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with the Standards on Auditing specified under section 143(10) of the Act, and consequently, does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

## Independent Auditor's Review Report on Unaudited Quarterly Financial Results and Year to Date Results of the Company pursuant to the Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended) (Cont'd)

4. The Company's management has not measured and consequently not recognized the interest cost relating to debentures (Series B and C) which carry a variable interest rate subject to a maximum cap, in accordance with the accounting principles laid down in Ind AS 109, Financial Instruments. Had the management followed the principles of Ind AS 109, the investment property and other financial liabilities (non-current) would have been higher by ₹822,676.41 thousand and ₹822,676.41 thousand respectively. Our opinion on the financial results of the Company for the year ended 31 March 2021 and our conclusion on the financial results for quarter and period ended 30 September 2021 were also qualified in respect of this matter.
5. Based on our review conducted as above, except for the effects of the matter described in previous section, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in Ind AS 34, prescribed under section 133 of the Act, and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in accordance with the requirements of Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended), including the manner in which it is to be disclosed, or that it contains any material misstatement.
6. We draw attention to note 7 of the Statement, which describes the effects of uncertainties relating to the outbreak of COVID-2019 pandemic on the Company's operations and the management's evaluation of its impact on the Statement as at the reporting date, the impact of which is dependent on future developments. Our conclusion is not qualified in respect of this matter.
